

# CHOSEN WOMEN

WELCOME

May 16 and 17, 1997

## Dear Sisters,

On behalf of the Board of Directors, Advisory Council and staff, welcome to this historic event to honor the King of Kings!

In II Chronicles 29, 30 & 31, God's chosen people are highlighted as a people doing what was right in their own eyes and not living according to God's plan for them. They were a divided, self-centered people who were given an opportunity to respond to the Lord's invitation to come together for the unified purpose of

praise, worship, renewal, commitment and celebration. That huge event came about because of God's desire to see His chosen people live holy lives that honor Him. The people responded by humbling themselves and the Lord brought forth revival. In the same way, our Lord has invited this generation of women to come together for that same purpose.

Though we wear the name of Christ, this generation of believers has lived self-centered lives wanting God to meet our needs but not willing to pay the cost to live holy lives. The Lord requires that the choice be made to give Him access to every part of yourself.

Will you look at your relationship with Him through His eyes and perspective? He is providing the opportunity for you to bring down your walls and let Him in to do what must be done so that you may live a holy life that honors Him.

Will you relinquish control of your life to the Lover of your soul, your Savior, Healer, Deliverer and Friend? He has a plan for this generation of women if we will individually surrender our agenda for His.

You have taken the first step toward revival by responding to God's invitation to come to be with Him here at the Rose Bowl Stadium. As we humble ourselves as individuals before Him, then He will bind all of us together in unity of the Spirit to bring about healing in our families, relationships, churches and communities.

It is our prayer that we will be so transformed when we leave this place that all will know that we are God's "chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praise of Him who called you out of darkness into His wonderful light."

With thanks to our Father for you,

Susan Kimes  
Executive Director
